SUMMARY STATEMENT

As a skilled Front-End Developer with a Cloud Practitioner certification, I am eager to contribute my expertise to innovative projects within a forward-thinking organization. My passion for crafting exceptional user experiences, combined with a strong foundation in cloud technologies, empowers me to deliver impactful solutions. I thrive on challenges and am committed to continuous learning and growth.

EXPERIENCE

Front-end Web Development Intern, Oasis Infobyte   June - July 2024

During my summer internship, I undertook tasks related to Front-end Development, which provided me with valuable hands-on experience.

- The technologies utilized encompassed HTML, CSS, JavaScript, and GitHub.
- This experience enhanced my proficiency in meeting project deadlines and strengthened my time management skills.

Education Coordinator, Zarurat   September 2022 - December 2023

As Education Coordinator at Zarurat, I led a team in delivering academic support to over 100 students from grades 1 to 8 at a government school in Vidhani. Through one-hour daily sessions, I cultivated a supportive learning environment while honing my skills in time management, teamwork, and effective communication.
